RE: Amended July Monthly Report (6/1/04-6/30/04)

Dear Ms. Adams;

This correspondence is in response to your "Request For Additional Information" ("RFI"), resulting from the Republican National Committee's ("RNC") "Amended July Monthly Report (6/1/04-6/30/04)".

Regarding the totals listed on Lines 21(b) and 22 column B, these amounts are being updated to correlate to the previous reports on file. We have amended previous reports and have reclassified some disbursements which have affected the year to date calculations. At this time this report agrees with the previous reports and subsequent reports will require amendment to reflect these changes.

The memo entries supporting line 11 do not have corresponding itemized entries because they relate to various contribution records for which we had requested corrections to the contributor information. The responses that we receive are from many years of these requests. In order to identify these entries we have noted the memo text field as "Update contributor information" and zeroed the amount fields.

Regarding Schedule B, the terms "Production Cost", "Promotional supplies" have been corrected to more clearly describe the purpose of the disbursement and the report has been amended.

Regarding Involvement with "2004 Joint Victory Committee" and "Joint Victory Comm 04", our activity with these committees did not include receipt of contributions, as such we are not required to reflect this on our Statement of organization.

I trust this response answers your inquiry. However, if you need further clarification please do not hesitate to contact me.

Sincerely,
Mark Meeks
Director of Accounting
